

MLR 2: Collect and Display

Directions: Record notes from your Teacher's Display on the left. Use the space on the right, to record your thoughts, explanations, and questions. Connect both with arrows. Use the given prompts on the right, to guide your thinking. Then, add your own in the extra space.

Teacher Display: Collected Words, Phrases, & Drawing

My Thoughts, Explanations, & Questions

This makes me think of...

This makes sense because ...

This is similar to something we learned earlier. It connects to ... because ...

I would rephrase this differently. I would say ... instead of ...
