

MLR 3: Clarify, Critique, Correct

Write: Record the problem with the mistake in the space below.

Think: How would I solve the problem? How will I know if I get the correct solution?

**Use this space to record your "rough draft" thinking.*

Write: Describe or show the correction(s) you think is needed in the space below.

Share: Explain your correction(s) above to your partner or class.

Do they agree?

Yes or No

Think: What ideas did I get from my partner or class? Did that change my correction(s) or approach to solving the problem?

**Use this space to record your "rough draft" thinking.*

Write: Record your final correction below, and how you know the problem or statement is now correct.
